

In the Hoop Applique Mr. and Mrs Mushroom

**I did give you a pattern to use to
cut your pieces needed manually**

Directions & Supplies you will need

Fabric, Stabilizer, or batting

Steam a Seam Lite II

or Therm O Web HeatnBond Lite

Clover Mini Iron -- I use the clover mini iron II

**I see no other way to do this,
with out this small iron**

**Reg medium stabilizer for
using for the pattern pieces**

**The first blue line is the placement line
Sew out,
remove the hoop and
iron your first piece in place**

**replace the hoop and sew out the next color.
it will be the tack down and
the satin finished stitch**

**the satin finished stitch
will be on both side**

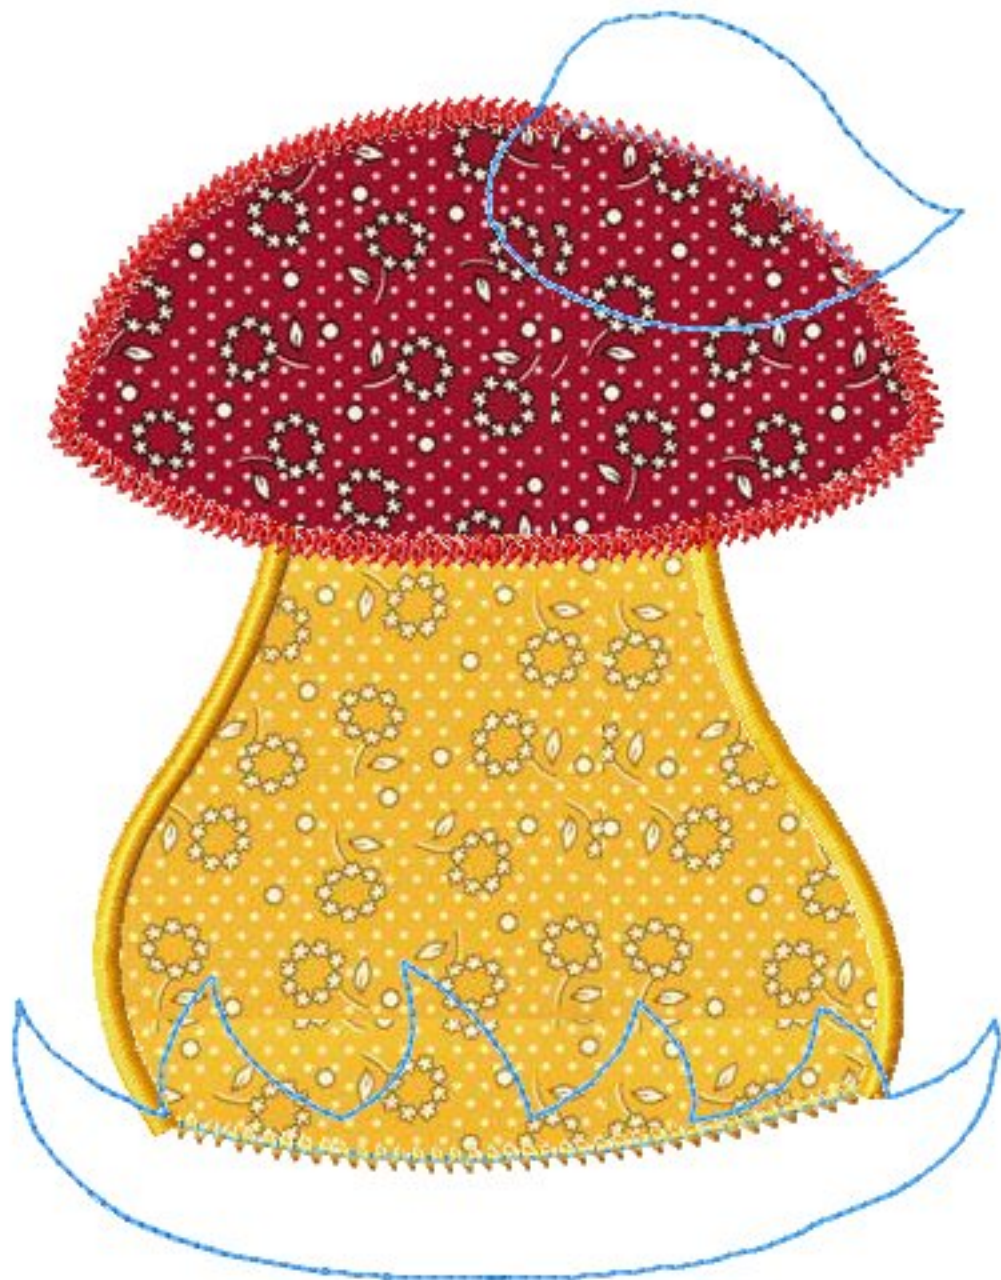

**Next Blue sew line is the placement line
for the mushroom cap**

**remove the hoop and iron the top fabric in place
Replace hoop and next color will be tack down
and fancy finishing stitch**

**Next blue sew line will be placement for the
Leaf and the grass**

**Remove the hoop
Iron the leaf and grass pieces in place**

Replace hoop and dk green color
will sew out the viens of the leaf
next green will
sew out the tackdown
and fancy finish stitch

same green will tackdown the grass fabric piece and fancy finish stitch

Now the rest is embroidery.
Follow the color chart for the face
