

## In the Hoop Carolina Lily Instructions

## **Instructions for In the Hoop Carolina Lily**

### **Supplies you will need**

**Fabric -- amount needed will depend on how many blocks you want to make**

**Fusible web -- one sided, I used Pellon Quilters grid - used for the stabilizer**

**Clover Mimi Iron -- I use the clover mini iron II got mine at Joanne's .**

**Be sure to print out the image given in the files**

**It will give you the order in which fabric pieces as sewn**

**First color sews out the entire block  
for placement or for using as pattern pieces**

**lay first fabric face up  
and place fabric 2 face down  
and sew the first line**

**Trim to 1/4 inch seam and fold fabric 2 over and finger press or use a small iron to press**

**Repeat for fabric 3**

**Repeat for fabric 3, and so on till you have the block piecing complete**

All pieces are now added and the next line is a straight stitch all around the full block

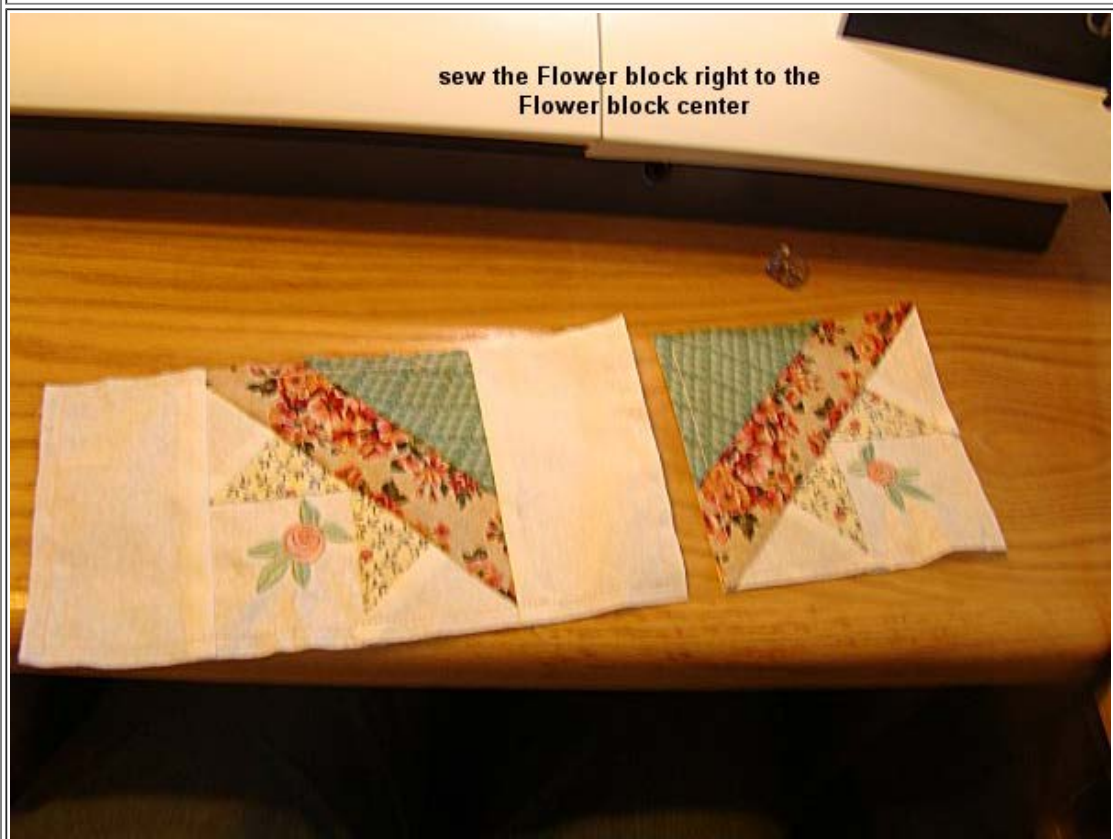

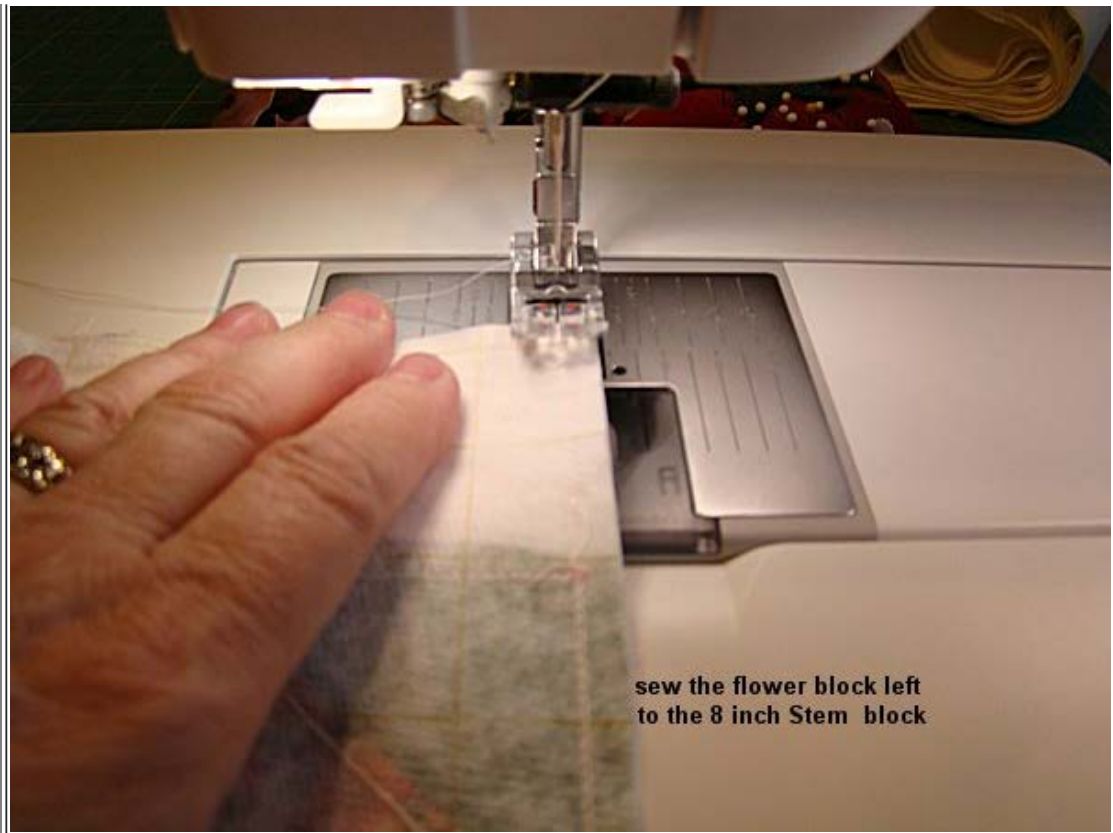

this will be your seam line to trim 1/4 inch seam allowance

Next step is the embroidery of the Vines And you are ready to remove from the Hoop
