

Sew out the pattern design on stabilizer or scrap fabric.
to be used as a pattern pieces
Iron your fabric pieces on Steam a Seam 2
Cut out the pieces, and remove back paper

Use design
SHD_ITH_AQG_01p

Can also be used with AccuQuilt # 55007 Round Flower

Use design
SHD_ITH_AQG_01

Embroidery the first color, Remove the hoop
and Iron the pattern Pieces in place

This shows all pattern pieces in place,
Minus the flower Centers. They Iron on later.

Insert hoop back and Continue embroidering the design
the stem and Curly first

then the leaves and then the Flower

Once the outside of the Blossom is done
an outline for placing the center will sew out
Remove hoop and Iron the piece in place
Embroidery the next part and then
the same will happen with the round center.
the out line will sew out.
Insert the hoop back and finish the design

Using the final seam line
Squaring of the Block
Use it to trim to 1/4 Seam allowance
